

June 12, 2026 - CCREA Executive Board Planning Meeting Agenda (Online)

In attendance: Sam Heaton, Linda Burke, Wilma Robinson, Mike Ball, Melvin Holton, Judy Sheppard, John Reida, Julie Arnold

1. Cookout critique – THANK YOU! What went well, what areas of improvement, lessons learned. About 55 attendees. Due to low turnout, move to April next year to avoid busy school graduations and events (but avoid Spring Break.) Too many leftovers for to-go plates except for meat.
2. Discuss speakers for next couple of months. Possibly have County Manager for November. Tina Williford from The Table on Delk will speak about sex trafficking and homelessness on Delk Road and grass roots efforts to intervene in it.
3. Review BBQ menu and approve funding. Through Linda Burke's networking, KM Davis will be sponsoring the lunch. They will provide funding for everything, including dessert. At minimum it will also include meats, baked beans, slaw, tea, lemonade and ice.
4. Discuss calling members and sharing of phone/email of members. Wilma Robinson had previously mentioned to Linda she is willing to call all former CCREA members (roughly 250) to recruit to rejoin. The Board voted in favor of supporting her in this endeavor. We will continue to seek access from the County to database with all existing retirees. **UPDATE - As of 6/14/26 Wilma has already had 18 commitments to rejoin!!**
5. The Board made the decision to raise the 2027 yearly dues from \$24 to \$25 to make accounting and handling of cash simpler. This news will be announced toward the end of 2026.
6. So far, the stipend is still included in the budget, but we have no new information about it.

Minutes submitted by Julie Arnold, CCREA Secretary
