

April 15, 2026 - CCREA Executive Board Meeting Minutes

In attendance: Linda Burke, Melvin Holton, Mike Ball, Judy Sheppard, David Stone, John Reida, Roswell Story, Julie Arnold

1. Linda Burke presented discussion regarding replacement of Carolyn Ferrell following her resignation. As Linda has been named 1st VP and the 2nd VP position is vacant, she suggested that Wilma Mann Robinson might be a good candidate to serve as 2nd VP through December 2026. The Board members in attendance agreed, and Linda called her immediately. Wilma graciously accepted, and the Board members voted in favor of recommending the nomination to the CCREA members at the April 15 member meeting per the by-laws, and calling for a vote.
2. Plans for the cookout were finalized. Anyone helping with grilling will bring their own spatula to ensure there are enough. It was suggested to solicit volunteers at the member meeting today and request they arrive early on May 20 to help ensure tables are set up.
